

**2018-2019 SIERRA WILDLIFE RESCUE  
BABY BIRD NURSERY  
SPECIAL CLASS SERIES**

SWR is pleased to offer a series of three classes to help and train BBN volunteers and develop their skills. These classes are designed for both volunteers and shift leaders but are open to anyone interested in song birds. Certificates will be given for people who complete all 6 hours of training and manuals will be created with distributions from each class.
